Last Day of School

Our last day of school for BLA students will be Friday, June 15th. **There will be no extended care on this day.**

Report Cards & Conferences

Progress reports for all students will go home on the last day of school, 6/15/18. Please review your child's report so that when you come for your Parent/Teacher conference you are prepared to discuss any questions you may have. During this conference, you will meet with both of your child's teachers. Signup sheets for conference times will be posted at the gate on Monday, June 11th at 7:00 am. Children are not to be present during conferences so please arrange childcare ahead of time (do not bring your child to wait in the office please).

Account Balances

Please check with Miss Sylvia prior to the last day of school for any account balance that you may have. There may be fees (Extended Care, Etc.) that have not been paid on your child's account.

BLA Polos

For the 2018-19 school year all polos must have the BLA logo on them. You may purchase the polos at BLA or submit your polos for embroidery with Miss Sylvia for \$6.00 per logo. Polos must be dropped off at BLA by July 6th to have them embroidered on time.

BLA Uniform Orders

Uniform orders for the 2018-19 school year must be submitted by Thursday, June 21st. Samples will be available for sizing on June 21st from 3:00 pm to 6:00 pm. Orders submitted on time will be ready for pick up on Thursday, July 26th from 3:00 pm to 6:00 pm.

Textbooks

We have begun sending home textbooks that have been completed. Please review your child's tote bag daily and keep these at home.

Principal's Desk

I would like to thank all of our families for your support during the 2017-18 school year. This year we expanded our Extended Care program to meet the needs of many families. The results from this program were rewarding; the children felt at home and loved while having their needs met. Many students would ask to stay for Extended Care as a choice and many wouldn't want to leave. All this supports our decision on the expansion of this program.

I would also like to express my gratitude to my staff for their commitment in creating a solid educational foundation for their students. I am truly grateful for the professional and reliable team that we have at BLA.

With Warm Regards,

Ana M. Castaños
