Festival

Saturday, June 3rd is our annual Festival and Kindergarten Graduation at the Ruth Chapman Theater at Eastlake High School. The students must arrive at the theater by 9:30 a.m. sharp in full costume and hair. The show will begin promptly at 10:00 am and will end at 11:30 am.

Reminder:

**In preparation for the festival, there will be No
Extended care on Friday, June 3rd.**

Family Guests

The front door will open at 9:45 am. The event is open to extended family members as well, although we are asking that each child brings no more than five people. Seats will be available on a first come first serve basis. **Seats cannot be saved for individuals who have not yet arrived.**

Costumes

Costumes were distributed on May 30th. Everyone should have their costume by now. An email has been sent to each group with details on shoes, socks and hair style.

Costumes are to be returned to the school on Monday, June 5th. We ask that they not be washed or dry cleaned. All costumes and accessories are to be returned on the hanger and in the bag that they were received in.

Photography & Videotaping

You are welcome to bring your cameras, however we will insist that everyone remain in their seats during the entire program. Anyone in the aisles will be sent back to their seats promptly. Please respect this request. We'd also like to remind you that all the performances will be professionally videotaped. Every BLA family will receive a DVD of the festival that will be distributed on the day of your child's parent/teacher conference.

Last Day of School

Our last day of school for BLA students will be Friday, June 16th. **There will be no extended care on this day.**

Report Cards & Conferences

Progress reports for all students will go home on the last day of school, 6/16/17. Please review your child's report so that when you come for your Parent/Teacher conference you are prepared to discuss any questions you may have. During this conference, you will meet with both your child's teachers. Signup sheets for conference times will be posted at the gate on Monday, June 12th at 8:00 am. Children are not to be present during conferences so please arrange childcare ahead of time (do not bring your child to wait in the office please).

Account Balances

Please check with Miss Sylvia prior to the last day of school for any account balance that you may have. There may be fees (Extended Care, Festival, Etc.) that have not been paid on your child's account.
